OTHER INTERESTS

- I am interested in scientific things and have been reading BBC Knowledge Magazines.
- Anchoring and compering for workshops , alumni meets and other extra curricular events during graduation.
- I have an interest in Cyber Security and did an internship in the IT Ministry of India in Data Protection and IT Law. Active interest in the GDPR rules. Read the GDPR White Paper and data protection laws of many other countries which enables me to create Data Privacy compliant software.
- I enjoy reading self-development and non-fiction books and biographies.
- I am a Documentary enthusiast as well. "Empire of the Sun" by Brian Cox is my favourite, showcasing sunshine's magic from Iguazu Falls to Auroras.
